Would the first named please bring 2 litres of milk (semi-skimmed) and 2 large packets of biscuits.

If you have any difficulty with the dates allocated, please change with another member of the team and alter the rota on the Servery Notice-board accordingly.

Instructions for the coffee percolator are on the wall in the Servery.

Please refer to the Hygiene Guidelines located in the Servery, relating to the washing of mugs etc. These in large measure state the obvious but are there in order that we comply with the guidelines taken from "*The Food Hygiene Handbook for Scotland.*"

Please wash your hands before beginning your duty.

Many thanks for your help. It is much appreciated.
